**Company Profile:**

Wuhan Essence Tech Co.,Ltd is a trading company who has been focus on Automotive exporting more than 5years. We cooperates deeply with many big and famous Manufacturers of Vehicle such as DONGFENG, BYD, Geely and Chery, on the sales of their Passenger cars, commercial cars and also the special use vehicles. Basing on the hard work during past years, we have successfully exported the full series vehicle of these brands to Egypt, Colombia, Kazakhstan, Russia, Algeria, Lebanon, Sudan and Jordan etc. countries which have gained good reputation locally. It has gained a good reputation locally.

From the first day of setting up, we always adhered to the principle of "providing customers with cost-effective products" and the concept of "Win-Win with Customers", to make more people around the world to know, to understand, recognize and support Chinese Vehicles.

We adopt 5A mode management, control the products quality strictly, set up the complete sourcing and supplying system, to make sure our customers can be served with the shortest delivery time, most competitive price and best quantity vehicles. Now, at this moment of the alternation of new and old energy vehicles, we are willing to cooperate with the cooperators all over the world to create our new time together.
