#### **FAQ**

#### 1. How long is your delivery time?

- Generally speaking , it needs 10days after deposite received from customer. The exact producing will time depends on the fianl quantity of your orders.

# 2. Can I install it by myself?

- Yes , it is esay to installed by youself. We can also direct you to do that online if you need. Thanks
- 3.1 just had the power lift gate installed, once I connect the power, the buzzer started to sound like "bebebe..bebebe", what's wrong?
- It's normal, the first time installation need to manually close the gate to initialize the system, then the alarm will be gone and all will be working!

# 4. If the mechanic malfunction, we can still open the trunk manually?

- Yes it can be operated manually even the electronic parts are not functional. Don't worry, we provide two years warranty because we have confidence in the built quality.

# 5. Does it fit my car?

- Pls send us your car's model number and real photoes and also the spec, so that we can check it for you. thanks
